This facilitator guide software, as one of the most practicing sellers here will certainly be in the middle of the best options to review.

Facilitator Guide Software

Script new slides as you build your facilitator guide. LeaderGuide Pro will send your slide text to PowerPoint. After you finish building your slides, LeaderGuide Pro will import them back into your guidebook to replace the slide script with your finished slide images. This is a great way to speed up development.

LeaderGuide Pro - Course Authoring Software — Great Circle ...

Let's explore how to design a Facilitator or Instructor Guide. Facilitator training Guide requires more information about the content of the program, along with the instructions. A good Instructional Designer must put himself/herself in the shoes of the Instructor, in order to visualize how the facilitator will present the materials.
