The World Economics Journal focuses on the production, analysis and use of economic data, a subject of fundamental importance to the world economy., World Economics

### **World Economics Journal**

An academic journal's prestige is established over time, and can reflect many factors, some but not all of which are expressible quantitatively. In each academic discipline, there are dominant journals that receive the largest number of submissions, and therefore can be selective in choosing their content. Yet, not only the largest journals are of excellent quality.

### **Academic journal - Wikipedia**

Zombies in philosophy are imaginary creatures designed to illuminate problems about consciousness and its relation to the physical world. Unlike the ones in films or witchcraft, they are exactly like us in all physical respects but without conscious experiences: by definition there is 'nothing it is like' to be a zombie.
