Exploring Lifespan Development Second Edition

If you're looking for a liberally-minded text that degrades men as an undeveloped sex and trashes U.S. culture, this is the book for you! My social psychology textbook was far less politically driven than this text, which is quite remarkable considering the tendency of many social psychologists to lean to a certain political identity.

Identity Development. During the college years, young people refine their approach to constructing an identity. Besides exploring in breadth (weighing multiple possibilities), they also explore in depth—evaluating existing commitments (Luyckx et al., 2006). For example, if you have not yet selected your major,
