Journal of Environmental Economics and Management ...

I just finished reading a great book that substantially changed how I think about economics - "Economism: Bad Economics and the Rise of Inequality" by James Kwak.. In a nutshell, the book describes "economism" - which has also been called "Econ 101ism". It is the over-reliance on basic microeconomic principles (the kind I teach in my principles of microeconomics course) and the failure to ...

Environmental Economics

NERA's Environmental Economics Practice offers world-recognized expert services related to the economics of environmental policies in the fields of climate change, air quality, water quality, and other environmental, health, and safety areas.
