I was looking for the same thing, and I found this question. Thank you for asking it! However, I found that the answers I see here don't seem to quite give the answer you asked for (or that I was looking for) -- they seem to give the G commit, instead of the A commit.. So, I've created the following tree (letters assigned in chronological order), so I could test things out:

British and Irish locomotive manufacture for export. This file originated in Lowe's remarkable British steam locomotive builders (since withdrawn from Norfolk's dismal book collection) and its supplement, but has been augmented by reference to other studies, including some not cited by Lowe. This file excludes the workshops of railway companies which are treated separately.
