Howdy! We are an international company with employees who come from a wide variety of backgrounds. We believe that the more perspectives we embrace, the better we are at engaging our global community of users and developers. We want to build Automattic as an environment where people love their work ...

Diversity and Inclusion — Automattic

Unity in diversity is a concept of "unity without uniformity and diversity without fragmentation" that shifts focus from unity based on a mere tolerance of physical, cultural, linguistic, social, religious, political, ideological and/or psychological differences towards a more complex unity based on an understanding that difference enriches human interactions.

Unity in diversity - Wikipedia

ABSTRACT. This paper characterizes an emerging research area, sometimes called coordination theory, that focuses on the interdisciplinary study of coordination. Research in this area uses and extends ideas about coordination from disciplines such as computer science, organization theory, operations research, economics, linguistics, and psychology.
