Extreme Papers For Igcse

****** Some information on the IGCSE exams The International General Certificate of Secondary Education (IGCSE) is an internationally recognised qualification for school students typically in the ages 14-17. It is similar to GCSE in England, Wales, Ireland and Scotland.

Cambridge IGCSE Additional Mathematics 0606

Testing is normally done in two stages... The first phase of testing is done by the designers and engineers who created the system, usually before the system is delivered to the customer. The test data that is used in this first phase is similar to data that would be used by the actual customer. The second phase of testing is done after the system has been delivered and installed with the ...
