## FANUC CNC control series for every application

I've been banging my head on this for hours with no one here to bounce this off of. I want to make a simple bushing and I can't get my head wrapped around this control. Attached is the code snippet the control has been choking on. I've learned the hard way one must watch his P's Q's. So I think I've ...

## Fanuc 18T Giving a 065 Alarm - Illegal Command in G71-G73

On my Fanuc 18i control, when I want to use a g76 boring cycle, the only option I get for tool retract (in the hole - away from bored surface) is "Q", and that happens to be a positive move in the X axis. How do I either stop the tool rotation on the X axis, so the move takes it away from the bored ...
