Im looking for helps in charting. Im a NEW nurse and I work in a very active ED, But we do not have a tri-fold or computer to help jog my memory in the areas I need to chart, Its just a blank flow sheet to start you off. Please does anyone have a sample charting or guides to help with better char...

helps for charting. - Emergency Nursing - allnurses

Introduction An important part of an Emergency Room Nurse's Duties is completing ER documentation. Patient data must be recorded accurately to ensure patient health. In some cases where malpractice is alleged, it can legally protect staff. It is also relevant for insurance purposes. Documentation in the ER In Trauma Care Documentation, some of the essential...

Why Nursing ER Documentation is Critical

ED Nursing Documentation teaches the critical patient documentation skills which are necessary from a clinical, legal and reimbursement perspective. We bridge the gap between good clinical care and proper nurse documentation. The class emphasizes the importance of good nursing documentation for patient care, risk management and proper facility reimbursement.
