Animal Farm is an allegorical novella by George Orwell, first published in England on 17 August 1945. According to Orwell, the fable reflects events leading up to the Russian Revolution of 1917 and then on into the Stalinist era of the Soviet Union. Orwell, a democratic socialist, was a critic of Joseph Stalin and hostile to Moscow-directed Stalinism, an attitude that was critically shaped by ...

Each day of April, I will write and share a new (first person, free verse, fewer than 15 lines not including spacing) poem. Taken together, these will tell a story about John and Betsy, two characters I posted about on March 22. This will be new for me, and I invite anyone who wishes to join me in writing a collection of 30 poems that tell a story.

The Poem Farm

This book was first thought of, so far as the central idea goes, in 1937, but was not written down until about the end of 1943. By the time when it came to be written it was obvious that there would be great difficulty in getting it published (in spite of the present book shortage which ensures that anything describable as a book will 'sell'), and in the event it was refused by four publishers.
