Your behavior while attending church is different from your behavior while hanging out in the back yard with friends, or at least we hope it is. And part of that difference is the difference in language, a difference not just in the words we use but in what we call tone. We also recall being told, when we were very young, not to "use that tone of voice with me, Mister (or Missy, as the case may ...

Rule 2a. That introduces what is called an essential clause (also known as a restrictive or defining clause). Essential clauses add information that is vital to the point of the sentence. Example: I do not trust products that claim "all natural ingredients" because this phrase can mean almost anything. We would not know the type of products being discussed without the that clause.
