English First Additional Language Second

English as a Second Language (ESL or TESL) is a traditional term for the use or study of the English language by non-native speakers in an English-speaking environment (it is also known as English for speakers of other languages.) That environment may be a country in which English is the mother tongue (e.g., Australia, the U.S.) or one in which ...

English as a Second Language (ESL) Definition - ThoughtCo

Similarly, a man who acquired Japanese as a child and learned English and Spanish as an adult would also have one first language (Japanese) but two second languages (English and Spanish). As opposed to acquisition, learning occurs actively and consciously through explicit instruction and education.

Defining First Language Acquisition, Second Language ...

Do you know the difference between first language acquisition and second language learning? Not only does the process of learning a language differ from the process of acquiring a language, but the processes and structures within the brain differ between the two activities as well. Learn about the differences between first language acquisition and second language learning in the following article.

The Difference between First Language Acquisition and ...

English As an Additional Language (EAL) English as an additional language (EAL) is a contemporary term (particularly in the United Kingdom and the rest of the European Union) for English as a second language (ESL): the use or study of the English language by non-native speakers in an English-speaking environment. English As an Additional Language (EAL) - ThoughtCo

TESL is the teaching of English as a second language. There are also other terms that it may be referred to in the US including: ELL (English Language Learner) and CLD (Culturally and Linguistically Diverse). In the UK and Ireland, the term ESL has been replaced by ESOL (English for speakers of other languages).

English as a second or foreign language - Wikipedia

There's EAL too, 'English as an Additional Language', which is used in relation to children in English-speaking schools who have a different first language. I taught in an English-language school where almost all the kids were speakers of other languages, but they had to study and converse with their teachers and peers in English.
