## **How To Create Posts On Your Facebook Page | Facebook Business**

The Single Relevance Score is Divided Into Three. Facebook's relevance score has been a huge focus for advertisers for a long time; that single number could tell you a lot about your campaigns, including the estimated quality and predicted success, and it could directly impact your CPCs and overall ROI.. Facebook just announced that they're replacing their single ad relevance score with ...

## **Top Facebook Updates That You Can't Afford to Miss - March ...**

A wonderfully written and detailed comparison of facebook pages vs facebook groups. Thank you. => I have been using the page feature, though I have been wondering if it may also be a good idea to add a group to the mix for certain features and updates and members who wish to participate and be notified.

## **Facebook Pages vs Facebook Groups | The Social Skinny**

Live Mode. After you have tested your app and, if necessary, completed App Review, you can switch it to live mode. Switching your app to live mode does not make it automatically discoverable through Facebook.com or any search engines. If you want your app to be discoverable, you must market it yourself or manually add it to the App Center.

### **App Development - Documentation - Facebook for Developers**

While just about every social-networking platform now has its own fully integrated advertising system, Facebook still reigns supreme in terms of features, insights and audience. As a business ...

In my last four posts I've shared some of the lessons that I've learned from helping set up lullubee.com, a new business that makes and markets kits for making crafts. After we launched the site ...

### **Facebook Pages Are a Bad Investment for Small Businesses**

Hi Pearl, yes you'll have to create an app on your Facebook page that can direct people to your website. The easiest way that I'm aware of would be to create a static image of your logo/site URL and perhaps the text 'visit our site' or similar, then when people click on the image it directs them to your website.

### **How to link your website to your Facebook Page or Profile ...**

Have you ever needed to contact Facebook about an issue you're having? Like maybe you have a question about ads or privacy. Or maybe you're a parent trying to adjust the settings on your kid's account. Or maybe your profile got disabled for no apparent reason and you need help getting it back. In ...
