Detached reflection cannot be demanded in the presence of an uplifted knife. Therefore in this Court, at least, it is not a condition of immunity that one in that situation should pause to consider whether a reasonable man might not think it possible to fly with safety or to disable his assailant rather than to kill him.

Introduction. Every epoch remakes the study of the history of international law in its own image. In the wake of a post-Cold War turn to the history of international law, the traditional interdisciplinary pollination of the history of international law, which blends international relations theory and its historical discourse, legal history, and the history of ideas and political thought, has ...

Down to the Wire (by David W. Orr). Confronting Climate Collapse. Down to the Wire describes how political negligence, an economy based on the insatiable consumption of trivial goods, and a disdain for the well-being of future generations have brought us to a tipping point. Due to our refusal to live within natural limits, we now face a long emergency of rising temperatures, rising sea-levels ...
