im abt 16 yrs old turning 17 and im taking up bs-architecture.... well, yes its very fun to study architecture. I passed my major subjects like theory of arch., design, visual technique, graphics... but there is only 2 subjects that im afraid that i failed and that is math (college algeb and trigonometry) i know its part of architecture but i think i will fail my course.

### 7 Reasons Why You Should Study Architecture | Architecture ...

June 2017 Update: "Based on general comments I have received over the years I would like to explicitly state the point of this article up front: Don't let anyone tell you that you can just keep going through the motions, ticking boxes and that you will eventually get into medicine by trying for long enough (or for having enough passion) - There is a high chance that things will not work out ...

### GEMP (Medicine) at Wits - How to not get accepted ...

You might be drawn to medicine careers if you are people-oriented and you love science. You might want to be a doctor because the pay is great and it is a prestigious career.
