tools, 6S (originally labeled 5S; see Exhibit 1), addresses just the situation I described. Most people may think of it as relating to manufacturing workplaces, but it is just as applicable to office settings.

An Introduction to 6S - Vital Enterprises

Next, I do a brief introduction to 6S, explaining what it is, how it is done, and showing some "before" and "after" pictures of other work areas where we have done 6S. We make sure to use pictures that mirror the setting of the workers with whom we are speaking; otherwise, they will not have as much value.
