Essay Writing Service From Vetted Writers - GradeMiners

Research papers and essays are similar in that they both are often required assignments in secondary and post-secondary schools. Typically, both follow a similar organizational structure, however, research papers focus on answering a research question, while essays often defend a thesis statement.

Similarities Between Essays & Research Papers | Pen and ...

A research paper is an expanded essay that presents your own interpretation or evaluation or argument. When you write an essay, you use everything that you personally know and have thought about a subject. When you write a research paper you build upon what you know about the subject and make a deliberate attempt to find out what experts know.
