Simplified with you in mind. See for yourself how a simplified PaintShop Pro provides the best possible user experience. Automatically migrate plugins and content from previous versions for a seamless upgrade, and customize your UI text size for better visibility.

The Ultimate Photo Editor - PaintShop Pro 2019 Ultimate

Xara Designer Pro offers one of the world's first live solid dragging, scaling and rotating of objects, for the ultimate in WYSIWYG editing. That means that as you create, reposition, resize or rotate an object the whole object moves, rather than just an outline, making it far easier to judge the effect of your edits in real time.

Xara Designer Pro Advanced Features

Registered and trial users can download and install FastPictureViewer Professional 1.x at any time to update their installed copy. New licensees can simply enter the license key received after purchasing a license key, there is no need to download or install a separate version of the software.
