Understand your child. The first step in choosing the right school is to determine what type of student your child is and what environment she will most likely succeed in. "Before thinking about the features of any particular school, begin by looking at your child's needs, strengths and overall personality," explains educational consultant Judy Winberg.

Teacher Quote: "Teaching can be one of the most rewarding and energizing careers. Never lose sight of the kids who drew you to this career. When we forget the human aspect of teaching and get bogged down by the pressures of testing, standards, and curriculum, we are forgetting about the needs of our learners.
