Enlightenment And Revolution Chapter 6

The American Enlightenment was a period of intellectual ferment in the thirteen American colonies in the 17th to 18th century, which led to the American Revolution, and the creation of the United States of America. The American Enlightenment was influenced by the 17th-century European Enlightenment and its own native American philosophy. According to James MacGregor Burns, the spirit of the ...

I. Introduction. In the early years of the nineteenth century, Americans' endless commercial ambition—what one Baltimore paper in 1815 called an “almost universal ambition to get forward”—remade the nation. 1 Between the Revolution and the Civil War, an old subsistence world died and a new more-commercial nation was born. Americans integrated the technologies of the Industrial ...
