The history of Canada covers the period from the arrival of Paleo-Indians thousands of years ago to the present day. Prior to European colonization, the lands encompassing present-day Canada were inhabited for millennia by Indigenous peoples, with distinct trade networks, spiritual beliefs, and styles of social organization. Some of these older civilizations had long faded by the time of the ...

A monogram is a motif made by overlapping or combining two or more letters or other graphemes to form one symbol. Monograms are often made by combining the initials of an individual or a company, used as recognizable symbols or logos. A series of uncombined initials is properly referred to as a cypher (e.g. a royal cypher) and is not a monogram.

Monogram - Wikipedia

Some of the most dangerous threats come from advanced threats that are designed to evade email filters. Barracuda Essentials leverages Barracuda Advanced Threat Protection, a cloud-based service that defends against ransomware and other malware, including zero-day attacks and advanced threats.. We don't believe this level of security has to come at the price of performance.

Bringing the World to Greater Moncton . For over 30 years, the Multicultural Association of the Greater Moncton Area has existed for just one reason: to welcome newcomers from around the world, and help them become a valued member of the Canadian family. In every walk of life, new Canadians contribute great things to our culture, our society and our economy.

Chronic urticaria, defined as urticaria that persists for longer than 6 weeks, is a frustrating condition for both patients and caregivers. Urticaria is not a single disease but a reaction pattern that represents cutaneous mast cell degranulation, resulting in extravasation of plasma into the dermis.
