Story Bits [edit | edit source]. Welcome to Hunrath — some kind of kludgy home for abductees. Hunrath appears to have been a functional community that has recently been evacuated for some kind of battle — with the Mofang — whoever that is. Mayor Josef's kiosk messages seem a bit weird — like he takes his position a bit too seriously, maybe. And the imagers themselves are a strange ...

The planet Mars has been explored remotely by spacecraft. Probes sent from Earth, beginning in the late 20th century, have yielded a large increase in knowledge about the Martian system, focused primarily on understanding its geology and habitability potential. Engineering interplanetary journeys is complicated and the exploration of Mars has experienced a high failure rate, especially the ...
