What subjects do I require in order to enrol? You will need to obtain an N2 qualification. If you have passed grade 12 with a science and maths pass rate of more than 40%, you will only need to write and pass 2 of the 4 subjects (Engineering Drawing and Trade Theory) to obtain your N2 qualification.

FAQs - Artisan Training Institute

4 8 16 In the first call to the function, we only define the argument a, which is a mandatory, positional argument. In the second call, we define a and n, in the order they are defined in the function. Finally, in the third call, we define a as a positional argument, and n as a keyword argument.. If all of the arguments are optional, we can even call the function with no arguments.
