Trove: Find and get Australian resources. Books, images, historic newspapers, maps, archives and more. "Building on the considerable success of previous editions, this fourth edition of Macroeconomics has been further simplified to provide an accessible yet comprehensive analysis of modern macroeconomics within both a European and a global context.

Macroeconomics : a European text / Michael Burda ... - Trove

Macroeconomics: A European Text, by Michael Burda and Charles Wyplosz, is an excellent example of 'keeping it real' by linking economics to real events. But examples in textbooks on a two- or three-year publication cycle become rapidly outdated. Students taking this year's economics course may not have been reading newspapers two years ago.

Macroeconomics - Michael Burda; Charles Wyplosz - Oxford ...

This macroeconomics textbook is the first to be written from a European perspective. No previous knowledge is assumed and nearly all topics in macroeconomics are covered, including advanced concepts such as endogenous growth or time inconsistency. It presents the "new" macroeconomics--a synthesis of the older fixed price approach and of the newer microeconomic foundations and intertemporal ...
