Origin of Chinese surnames. Prior to the Warring States period (fifth century BC), only the ruling families and the aristocratic elite had surnames. Historically there was also a difference between clan names or xing and lineage names or shi (氏). Xing were surnames held by the noble clans. They generally are composed of a nü (女, "female") radical which has been taken by some as evidence they ...

A nuclear family, elementary family or conjugal family is a family group consisting of two parents and their children (one or more). It is in contrast to a single-parent family, to the larger extended family, and to a family with more than two parents. Nuclear families typically center on a married couple; the nuclear family may have any number of children.

Highlights The New Family Structures Study collected data from nearly 3000 adults. I compare young adults who grew up with a lesbian mother or gay father. Differences exist between children of parents who have had same-sex relationships and those with married parents. This probability study suggests considerable diversity among same-sex parents.

Their Origin and Explanation. Though a long period, of at least three thousand years has elapsed since the time when most of the religious commandments of the Parsis were first issued, and though the community has, during that interval, seen many vicissitudes of fortune, they have adhered well-nigh faithfully to many of their ancient religious customs.

I try hard to avoid the 'hidden gem' golfing cliché. For starters, there will be countless golfers that are already well aware of the delights on offer at Piltdown Golf Club in East Sussex, and, no doubt, the lovely courses at nearby Crowborough Beacon and Royal Ashdown Forest that make up this glorious triumvirate of heathland classics. I will concede that there are better known courses ...

Fascinating indeed! I am curious, though, as you list the English vs. Malayalam names, I have met many Malayalees with the English forms.. is there a tradition that would encourage the use of English over Malayalam or is the Malayalam used more to connect with village or villagers use more than city folk?

Abstract: The digitally signed receipt, an innovation from financial cryptography, presents a challenge to classical double entry bookkeeping. Rather than compete, the two melded together form a stronger system. Expanding the usage of accounting into the wider domain of digital cash gives 3 local entries for each of 3 roles, the result of which I call triple entry accounting.
