Facilitator 39 S Guide

1 This Facilitator's Guide will assist you with leading groups through the actions and stages of the data analysis and decision-making process.

USING DATA - Educational Service Unit #1

Definitions. There are a variety of definitions for facilitator: "An individual who enables groups and organisations to work more effectively; to collaborate and achieve synergy. He or she is a 'content neutral' party who by not taking sides or expressing or advocating a point of view during the meeting, can advocate for fair, open, and inclusive procedures to accomplish the group's work" - Doyle

í Respectful onversations for Difficult Situations

Facilitated communication (FC), supported typing or hand over hand, is a discredited technique that attempts to facilitate communication by people with severe educational and communication disabilities. The facilitator holds or gently touches the disabled person's arm or hand during this process and attempts to help them move to type on a special keyboard.
