### **Robotics Engineering Notebook template - Google Docs**

I noticed there are different templates on windows journal. They had something that looked like graph paper, so it got me wondering if there was a template for engineering paper. The engineering paper I'm thinking of has three large blocks at the top, evenly spaced, and the rest kinda looks like graph paper; the blocks might be a little bigger.

I wasn't looking to print engineering paper. Rather, I was looking to be able to print ON engineering paper, like this. I have actually developed a word document that I finished up and tested a bit ago by creating a table and adjusting the alignments from the first test you saw above. Thanks for your help, though!

### Word Document Format for Printing on Engineering Paper ...

Really the only thing I want implemented at this point is a template for fixed width and unlimited length. I want to have a page of A4 width, but with no limit on length. Currently I just use A4 width and twice the length (or as close as I could get), and just make multiple pages.
