The student should observe that most available cost information is classified by function such as rent, wages, and cleaning supplies. This makes it difficult to understand the cost behavior of each process. We will see in a later chapter how activity-based costing can help measure the costs of each process.

**FAP Chapter 18 SM - testbanku.eu**

FAP Chapter 18 SM - Nashville State Community College We will see in a later chapter how activity-based costing can help measure the costs of each process. Answers will vary because classification of fixed or variable depends on the costs identified in part 2.
