I use ShopTo at the moment, but to be honest I've been let down by all the major online retailers with delivery on pre-orders. Game, Gamestation, HMV, The Hut and Amazon have all delivered after release date for me, and although ShopTo have been good at getting stock to me a day or two early, I've had a problem with them sending EU stock which I hadn't noticed until after I'd opened it and ...

Max, Alanah, Andrew, and Zach are all back from E3, and in spite of being a little goofy, we're also really excited about the games we saw there. Including (but not limited to) Cyberpunk 2077, Ghost of Tsushima, Control, The Last of Us Part II, Spider-Man, and Kingdom Hearts 3. Obviously, there are a ton we didn't even get to touch on, but luckily, we have a weekly PlayStation show (this one ...

Removing your support items massively increases melee/combo/proc/ult damage. Reason: since patch game scales damage of combos/ults/procs and melee based on average item level you have equipped, but if you don't have item equipped at all it does not take that slot into account in calculation at all, meaning by removing the low level support item boosts your average item level for purpose of the ...
