Contract cheating, where students use a third party to complete their assignments, is frequently reported to be increasing, presenting a threat to academic standards and quality. Many incidents involve payment of the third party, giving contract cheating a commercial aspect. This study synthesised findings from prior research to try and understand how common self-report of contract cheating is ...

The University of Oxford is a collegiate research university in Oxford, England. There is evidence of teaching as early as 1096, making it the oldest university in the English-speaking world and the world's second-oldest university in continuous operation. It grew rapidly from 1167 when Henry II banned English students from attending the University of Paris.
