Homophones, or "sound-alikes," are words that are pronounced like another word, or words, but are different in meaning, origin, or spelling, such as their/there/they're and to/too/two.Homophones word lists are important to the writing and reading development of young learners. Recognizing homophones is essential to correct spelling because even spell-check programs will not recognize

Gay literature is a collective term for literature produced by or for the LGBT community which involves characters, plot lines, and/or themes portraying male homosexual behavior. The term is now used most commonly to cover specifically gay male literature, with a separate genre of lesbian literature existing for women. Historically, the term "gay literature" was sometimes used to cover both ...
