News style, journalistic style, or news-writing style is the prose style used for news reporting in media such as newspapers, radio and television. News style encompasses not only vocabulary and sentence structure, but also the way in which stories present the information in terms of relative importance, tone, and intended audience. The tense used for news style articles is past tense.

#### Rewrite | Define Rewrite at Dictionary.com

Very few native speakers will ever start writing at the top of the first page and continue straight through until they finish at bottom of the last one. The entire process has five steps, but the first step in the writing process is coming up with your thoughts and ideas, also known as prewriting. Prewriting helps students gather ideas and give them a bank of possibilities for their writing.
