The Classical Argument Since rhetors began teaching Greek farmers strategies for appealing their cases to Greek courts in the fifth century B.C., the classical argument has stood as a model for writers who believe their case can be argued plausibly and logically to an open-minded audience. This format is still in use in much

# **The Classical Argument - Winthrop University**

Classical essays have a linear order of idea presentation. Classic essays are bounded by supporting arguments. A classical argument essay is thus interesting and structured to provoke the reader's logic sense. There is no set formula for a good classical essay but there is sufficient knowledge sharing on the topic.
