A study by the National Association of Colleges and Employers (NACE) has reported, yet again, that engineering is where it's at. Of the top 10 highest-earning majors, all of them – we repeat, all of them – were in engineering. What specialty you choose also matters (the difference between a degree in Petroleum and Industrial Engineering is about \$30k) but the bottom line is this: if you ...

50 Best Value Engineering Schools 2019

The BEng (Hons) Mechanical Engineering degree at Lincoln aims to produce industry-ready graduates with product design and innovative sense who are highly-skilled, creative engineers able to adapt to new challenges and deliver sustainable solutions for modern society. The curriculum aims to support students in bridging the gap between the University and professional work by developing skills ...
