Story Bits [edit | edit source]. Welcome to Hunrath — some kind of kludgy home for abductees. Hunrath appears to have been a functional community that has recently been evacuated for some kind of battle — with the Mofang — whoever that is. Mayor Josef's kiosk messages seem a bit weird — like he takes his position a bit too seriously, maybe. And the imagers themselves are a strange ...

The "I" in memoir is a literary device used to enhance and explore complicated truths. Just as we are complex people in real life, we must be equally complex personas on the page—albeit artistically rendered. One way to accomplish this exploration of self is through the use of voice. So who, then, narrates a memoir? It's both me and not me.
